

## Energy storage cabinet communication method

Energy storage system series-Outdoor cabinet type energy storage system Technical specification DC data  
Battery capacity (kWh) 100~200 Number of battery racks 1~2 BMS communication interface RS485/CAN  
DC voltage range(V) 420~850 AC data Rated AC power(kW) 30~150 Max. AC power(kW) 30~150 Rated  
AC current(A) 43~216 Max. AC ...

105KW/215KWH Outdoor Cabinet Type Energy Storage System SNE-ESS105KR215C outdoor all-in-one  
ESS solution compatible with lithium battery storage, which used BYD LiFePO4 battery module and original  
BYD high voltage control box, comes with SNE 105KW hybrid solar inverter. Easy to install and dispatch,  
with built-in HVAC/FSS (optional), and could be used in parallel.

Cooling method Fire safety equipment Communication interface Communication protocol 0.5P  
2300\*1300\*1350 mm IP54 C4 0 %~95 % (non-condensing) Charging: 0 ?~55 ?; Discharging: -20 ?~55 ?  
2000 m Liquid-cooling Aerosol Ethernet Modbus TCP Certification IEC62619, IEC63056, IEC62477,  
EN61000, UN38.3 1P52S 166.4 V 52.416 kWh Cabinet ...

Build an energy storage lithium battery platform to help achieve carbon neutrality. Utility ESS. Provide  
high-safety and high-economy power energy storage solutions in all scenarios of power generation, grid, and  
user side. The system supports DC1500V voltage platform, flexible access, rapid deployment, and fast  
networking. Long life. Long-cycle energy storage batteries to ...

The 115kW/232kWh liquid cooled energy storage cabinet adopts an integrated design concept, which is a  
highly integrated energy storage product that integrates battery systems, BMS, PCS, EMS, fire protection, etc.  
It is flexible in deployment and has functions such as peak shaving and valley filling, demand management,  
and power capacity expansion, meeting various energy ...

Panel air conditioner is a refrigeration device installed on the side of telecom shelter, electrical enclosure or  
cabinet. And it is commonly used on electrical cabinets, communication cabinets, and energy storage shelter.  
There are many types of panel aircon, and we can choose the most suitable cooling solution based on the  
cooling method, voltage, and actual situation.

Outdoor energy storage cabinet HJ-SG-C type: This series of products has built-in PCS, EMS, on-grid  
switching unit, power distribution unit, temperature control system, BMS system, fire ...

Outdoor Battery Energy Storage Cabinet The whole system is plug-and-play, easy to be transported, installed  
and maintained. It is an one-stop integration system and consist of ...
