

Mouser offers inventory, pricing, & datasheets for High Voltage Ceramic Capacitors Ceramic Capacitors.

Our custom products include nonstandard part sizes and voltages, including high voltage, high temperature, high "Q", custom leads, cryogenic ceramics, negative and positive temperature characteristic ceramics and piezoelectric ...

High voltage DC power supplies (PPCs, X-ray apparatus, air cleaner, lasers, etc.) Tuning capacitor in focus circuit for display: Key words. 35KVDC 3000pf high voltage ceramic capacitor, 35KV high voltage disc ceramic capacitor, 3000pf disc ceramic capacitor, high voltage radial lead disc ceramic capacitor . AnXon Join us. Cixi AnXon Electronic Co.,Ltd. We manufacture high ...

ultra high voltage ceramic capacitor manufacturers/supplier, China ultra high voltage ceramic capacitor manufacturer & factory list, find best price in Chinese ultra high voltage ceramic capacitor manufacturers, suppliers, factories, exporters & wholesalers quickly on ...

Our custom products include nonstandard part sizes and voltages, including high voltage, high temperature, high "Q", custom leads, cryogenic ceramics, negative and positive temperature characteristic ceramics and piezoelectric formulations. We have a series of patented microwave and radio frequency products including patented single layer and ...

HVC is emerging brand and top manufacturer of high voltage ceramic capacitor and high voltage resistor . Established in 1999, with production plant of 6000 square meter in Southern China, we are specialized in high voltage components, such as ...

High voltage doorknob ceramic capacitor applications. The main applications include live line indicators, AC dividers, gradingsystems for power distribution network, protection for HV switches and power circuit breakers. Coupling,by-passing high ...

After 20 years of development, our brand high voltage ceramic capacitor have been recognized by many customers all over the world. In the high-end ceramic capacitor market, Our products have reached 50% market volume.
