

When does a lithium battery warranty start?

The product warranty starts from no later than three months after the product arrival or no later than six months after the product shipment. Two parties negotiate to specify the start date based on project conditions. The standard warranty period of lithium batteries is one year.

What is a battery pack warranty?

In the event energy throughput into (or from) the Battery Pack flows to a 3rd party or whereby such energy is activated or controlled by a 3rd party, the Battery Pack warranty will be limited to 'Fair Usage' levels equal to 10,000 cycles for consumption purposes only at the installed premises.

What happens if a lithium battery fails during the warranty period?

Faulty parts replacement: During the warranty period, if an individual failure is caused by the lithium battery quality problem of Party B, Party B is responsible for delivering qualified parts to the receiving place agreed by both parties within the committed service level agreement (SLA).

How long does a lithium battery last?

The standard warranty period of lithium batteries is one year. If extended warranty is required, consult the SSD and evaluate the maximum service life of lithium batteries based on the battery model and application environment. Extended warranty can be provided within the service life and needs to be quoted.

How long does a battery warranty last?

In addition to this, proof of correct battery usage is required when making a battery warranty claim. For a 10% surcharge on the net price for products that came with a 5-year warranty, an additional 5 years of warranty can be purchased, bringing the total warranty to 10 years.

When does a limited warranty expire?

The Limited Warranty shall commence from the Warranty Commencement Date for the respective Product, and expires (A) five (5) years thereafter or (B) 400,000km, whichever is earlier or, if the extended Limited Warranty applies in the Purchase Order, expires (A) seven (7) years thereafter or (B) 500,000km, whichever is earlier.
