

Find your low-voltage capacitor easily amongst the 25 products from the leading brands (CIRCUTOR, WEG, Iskra, ...) on DirectIndustry, the industry specialist for your professional purchases.

Himel's Low Voltage Capacitors improve the performance, quality, and efficiency of electrical systems and ensure efficient operation of installations. Himel supplies affordable electrical offers that create value for customers, partners, and distributors.

Decoupling capacitors - can control high-frequency noise, removing voltage ripples from the power supply. Energy storage and supply - deliver stored energy bursts quickly, like a camera flash for example. Signal filtering - they are able to block low-frequency signals and allow higher-frequencies to pass through. Useful in telecommunications.

Low-voltage capacitors and filters. Chat with Live Agent. Improving the performance, quality and efficiency of electrical systems With energy transition, good power quality is becoming more and more essential for utility, industrial and commercial networks. Growing renewables and dominance of electronics in industrial and consumer segments makes the grid more prone and ...

Using our intuitive platform, you can find capacitors for sale, along with crucial real-time information on pricing, availability, and more. Our detailed technical datasheets and CAD models empower you to find the best capacitors for your projects quickly and efficiently. We streamline your design and purchasing processes. You can achieve ...

We specialize in high voltage capacitors and resistors for tube radios. We carry high voltage film capacitors, high voltage electrolytic capacitors, silver mica capacitors and AC-rated line filter safety capacitors for tube radios. We sell 630 volt & 1600 volt Orange Dips and 630V, 1000V, 1600V & 6000V tubular axial film capacitors. Also on sale are Electrolytic capacitors with long ...

NICHICON - UVX2E470M - CAP503 - Aluminum Electrolytic Capacitor. From one of the most trusted name in electrolytic capacitors, Nichicon. For various repairs in many consumer electronics goods, TVs, Flat Panels, DLPs and audio. ...

Yuhchang offers premium low voltage power capacitors with advanced features like self-healing and low dissipation. Explore our oil-type and dry-type LV capacitors for reliable performance. Inquire today!
