This chapter provides a general overview of the urban context of Mogadishu, characterized by a dynamic and fragile nature. In particular, the chapter focuses the attention on the housing traditions of Mogadishu, highlighting key strengths, weaknesses and open issues related to the sustainable development of the city. Moreover, an ...

The topic of sustainable affordable housing in developing countries is becoming increasingly important for African and international stakeholders. At present, massive urbanization processes involve many countries, that are consuming large parts of territories and natural resources. These processes are developed far from

One local resident, Nadra Abdi, told Mogadishu 24: "It's not just about housing; it's about creating a life worth living here in Somalia." Somalia has been engaged in a low-level civil war since the overthrow of Siad Barre's government in 1991. This led to a power vacuum, which a number of clan-based armed groups attempted to fill. More recently, the governments ...
