

Who makes custom lithium batteries?

We custom lithium batteries from voltage and capacity to final size. Sunlyhas been deeply involved in the lithium battery industry since 2012 and has become the designated supplier of many internationally renowned brands. The plant covers an area of 10,000 square meters,with a total investment of over 1 billion yuan.

Who is Guangdong Yuyang new energy?

Guangdong Yuyang New Energy Co.,Ltd focuses on Energy Storage System,Solar System Solutions,integrated with R&D,Manufacturing,Sales and Technology Service,Provide a series of products such as Lithium-ion Batteries,Inverters,Solar Panels,etc and customization service,it is located in Dongguan City,Guangdong Province,China.

Who is new energy?

New Energy Ltd is a professional battery pack designer and manufacturer with more than 20 years of experience. We serve the industry in Europe and in the USA making innovative products with technology, enthusiasm and passion.

Why should you choose Yuyang batteries?

Yuyang Batteries have high quality,super safety and nice appearance,they are easily installed,and can be used in long lifespan. They are deeply loved by our clients,and widely used in house or industrial energy storage system. Welcome everyone contact us!

How can Guangdong Yuyang make the business bigger?

If you want to enter or make the business larger, we can make good cooperation with each other! Guangdong Yuyang New Energy Co., Ltd. is based on the production of lithium battery packs, supporting energy storage inverters, solar panels, controller systems and related systems as a supplement.

What kind of battery cells do we provide to OEM customers?

We guide the OEM customer in the selection of the most appropriate battery cell model based on the application needs. We focus mainly on Li-Ion based cell technology, including LiFePO4 and LTO solutions.

CSIT Power provides custom rechargeable lithium-ion batteries, commercial and industrial energy storage batteries and solar panels to customers around the world that are safe, powerful and secure.

Based on market demand and with safety and durability as the premise, we aim to create a power lithium battery solution with long endurance, strong power, and high cost-effectiveness, providing users with a light weight, fast, intelligent, and green new energy travel experience. Our company has launched 36V 48V 60V 72V lithium battery solutions.
