

The company mainly produces automobile sealant, high-speed rail adhesive, instant glue, high temperature glue, high temperature repair agent, sealant, potting glue, ab glue, anaerobic glue, screw glue, treatment agent. Order hotline: +86-0371-65336633

oThe SOLAR TAB(TM) film adhesive application uses proven fluorinated polymers and patented process to ensure contact resistance as low as traditional solder -tabbing . oMelt-tabbing at less than 150°C dramatically reduces solar cell stress induced by traditional solder tabbing. o SOLAR TAB(TM) melt-tabbing provides instant bonding and enables the use of direct lamination process ...

Solar Panel Bonding Adhesives at Epic Resins Custom Formulated Adhesive Materials for Photovoltaic Cell Manufacturing. Epic Resins specializes in custom formulated adhesives designed specifically for superior adhesion to photovoltaic cells. We have a wide variety of solar panel adhesives, from quick-curing adhesives for attaching the junction ...

We are direct manufacturers of brackets, systems, and structures for photovoltaic and solar panels: this allows us to create tailor-made solutions based on the specific needs of each customer. We also offer the design of complex ...

Structural bonding, frame sealing, and potting solutions for photovoltaic panels.

o SOLAR TAB(TM) is a solar cell interconnection adhesive designed for cost-effective melt-tabbing to replace traditional pre -tin tab soldering process for solar cell interconnection. oThe SOLAR TAB(TM) film adhesive application uses proven fluorinated polymers and patented process to ensure contact resistance as low as

Epic Resins specializes in custom formulated adhesives designed specifically for superior adhesion to photovoltaic cells. We have a wide variety of solar panel adhesives, from quick-curing adhesives for attaching the junction box to the PV panel to two-component aliphatic polyurethane compounds with exceptional UV resistance. We also custom ...

Frame fixation of Photovoltaic modules - Lohmann provides the best environment: our high-end adhesive tapes guarantee highly reliable processing when bonding frame profiles to solar laminates - from manual to fully automated processes.
