

RCE specializes in developing various 12V starter batteries required for 100cc-6000cc automobiles and motorcycles; it uses safe and stable lithium iron phosphate batteries with high energy densities that can fully correspond to all lead-acid batteries available on the market.

Chang Nan Battery Ind. Co., Ltd. established in year 1972 and has 40+ years manufacturing experience in Lead Acid Battery Industry. Chang Nan Battery Ind. Co., Ltd. base on located in Lu Kang, Chung Hwa County, Taiwan; the biggest industrial ...

Fujian Quanzhou Dahua Battery Co., Ltd. was established in 1994, is one of the largest manufacturers of lead acid battery and plates in China. Our plant occupied around 200,000 square meters, building 150,000 square meters with the total investment capital USD100M and more than 2000 experienced employees, the annual sales turnover is up to USD120M. After ...

Microtex is a reputed lead acid battery producer in India that manufactures rechargeable batteries - industrial lead-acid batteries for storage of power, in Bengaluru, India. The factory has a covered area of 26,700 Sq mtr on 5 acres of land, with 300 expertly trained people. Established 54 years ago it is one of the top battery companies in ...

Product types: DC to AC power inverters, rechargeable batteries, deep-cycle batteries, sealed lead acid batteries. Address: 11F, No. 150, Sec. 4, Chengde Rd., Shilin Dist., Taipei 11167, Taiwan ; Web Site: ; E-mail: ...

TC Machinery Co., Ltd. has committed to technological innovation in Lead acid (automotive battery / car battery / motorcycle battery) / Lithium battery manufacturing assembly equipment (COS, assembly, finishing and package line) & raw materials. automotive battery assembly line / car battery assembly line / motorcycle battery assembly line

Prolux Hobby Industry Co., Ltd. established in 1987, is a professional Lead Acid Battery manufacturer. We have a lot of experience in producing high quality Lead Acid Batteries products. There is a group of engineers to develop batteries as our clients required.

On January 22, 2002, Kung Long was listed on the Taiwan Stock Exchange (TWSE) to become the only professional lead-acid battery manufacturer in Taiwan that owns a bonded factory and goes public. Kung Long has a complete production line and innovative technology. Since its inception in 1990, the Nantou City-based company has developed more than ...
