

The 5th Venice Photovoltaic Energy Solar Photovoltaic Exhibition

What is the European photovoltaic solar energy conference & exhibition?

Welcome to the 42nd European Photovoltaic Solar Energy Conference and Exhibition. The innovation platform for the global PV solar sector.

What are the upcoming photovoltaic trade shows in 2024?

Exhibition calendar with current Photovoltaic Trade Shows from 01.05.2024. 01. - 02. May 2024 International trade fair of the solar PV, storage and complementary technologies 28. - 30. May 2024 International trade fair for semiconductor technology 03. - 06. June 2024 Trade Fair and Forum for Solar Energy in the Middle East 04. - 06. June 2024

Why should you attend the EU PVSEC exhibition in 2025?

In 2025, when we once again bring together experts from all over the world, the EU PVSEC Exhibition will remain a leading business-to-business exhibition, providing a unique opportunity for R&D companies to ride the wave of emerging trends in the dynamic solar energy sector. Join us to explore, collaborate and shape the future of photovoltaics!

What is EU PVSEC 2023?

The European Photovoltaic Solar Energy Conference and Exhibition (EU PVSEC) 2023 concluded on 22 September 2023, marking another successful year of bringing together over 1850 leading experts, researchers and industry players to present and discuss the latest developments in photovoltaic research and technology.

How do I publish a photovoltaic event?

Our photovoltaic events database is packed with all the latest information regarding seminars, conferences and trade shows. If your event isn't featured, you can publish it, for free, directly through our client portal. You can find instructions for creating an account and uploading information, [here](#).

What is EU PVSEC exhibition?

Welcome to EU PVSEC Exhibition, a pivotal platform that emphasises the importance of solar energy in the global landscape.

The 42nd European Photovoltaic Solar Energy Conference and Exhibition takes place from 22 - 26 September in Bilbao, Spain. As the largest international Conference for Photovoltaic research, technologies and applications, it presents an opportunity for the global PV community to present and discuss the latest developments and network.

In 2025, when we once again bring together experts from all over the world, the EU PVSEC Exhibition will remain a leading business-to-business exhibition, providing a unique opportunity for R&D companies to ride

The 5th Venice Photovoltaic Energy Solar Photovoltaic Exhibition

the wave of emerging trends in the dynamic solar energy sector. Join us to explore, collaborate and shape the future of photovoltaics!

The European Photovoltaic Solar Energy Conference and Exhibition (EU PVSEC) 2023 concluded on 22 September 2023, marking another successful year of bringing together over 1850 leading experts, researchers and industry players to present and discuss the latest developments in photovoltaic research and technology. Over the course of five days ...

Conference and Exhibition / September 23, 2024 - September 27, 2024 41th European Photovoltaic Solar Energy Conference and Exhibition - EU PVSEC 2024. The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and applications, and at the same time a top international PV Industry Exhibition. It also is the ...

The 41st European Photovoltaic Solar Energy Conference & Exhibition (EU PVSEC 2024) is held from 23-27 September in Vienna. It is the largest international gathering for photovoltaic research, technologies and ...

Europe's leading trade fair for solar energy professionals. Trade and public fair on the topics of building, renovating and furnishing. 08. - 09. February 2025. Trade exhibition for building, renovating and saving energy. 18. - 20. February 2025. International Trade Exhibition on solar power and concentrated photovoltaic systems. 19. - 21.

The 17th SNEC International Solar Photovoltaic and Smart Energy (Shanghai) Conference and Exhibition, referred to as the "SNEC PV Conference & (Shanghai) Exhibition," will be grandly held at the National ...

The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and applications and at the same time a PV Industry Exhibition, where specialized PV Industry presents technologies, innovations and new concepts in the upstream PV sector. It gathers the global PV community to present and discuss the latest ...
